

RIDES:

The Waterworld has no less than 14 exciting Water Slides for the adults and grownups, including a lazy river and a hurricane Wave Pool. For the kids and the children there are 17 Water Slides, each with its own amazing exclusivity plus a host of superb water sports and games?

In order to provide you a world-Class standard, we have installed the most modern water purifying plant from Spain. Our pool water is therefore entirely hygienic, purified and crystal clear.

Every adventurous boy and girl will love slippery slides, and more, while kids and grownups will love the zero depth wading pools and gushing fountains, and slides. Everyone will love exploring the zigzag tunnels and also enjoy refreshments from restaurants at quiet times – or soak in the splashing waterfalls. You will discover terrific rides, attractions, water games and so much more to enjoy, no matter what your age. Right from splash filled, raging water slides and the cool Lazy River to awesome slides.
